ABOUT US

Hedge Invests is a legally registered Group of Companies which was founded and transformed into an open joint-stock company in order to provide access for everyone to financial products offered by Hedge Invests.

The investment management potential created by the professionals working with the Company had been the underlying reason of the transformation.

Since Hedge Invests has demonstrated outstanding performance and significantly expanded its assets in the previous period, the decision was made to start offering its investment products via specialized online services.

The Company is not a member, associate or subdivision of any other organization, so it is free to make totally independent decisions.

Our team of full-time financial experts ensures effective and quick analysis of the current financial situation. Our mission is to provide every person the opportunity to gain maximal profit from investing at minimal risk..
